

# HAPPY 2 HELP

“

## *About Our Foundation*

“Happy to help” is a common phrase used as a substitute for “You're welcome.”

Beyond being overused, “happy to help” isn't personal or empathetic. Because this phrase doesn't reference the customer at all, it sounds closer to “I'm just doing my job” or “That's what I'm here for.”

## What is P2P

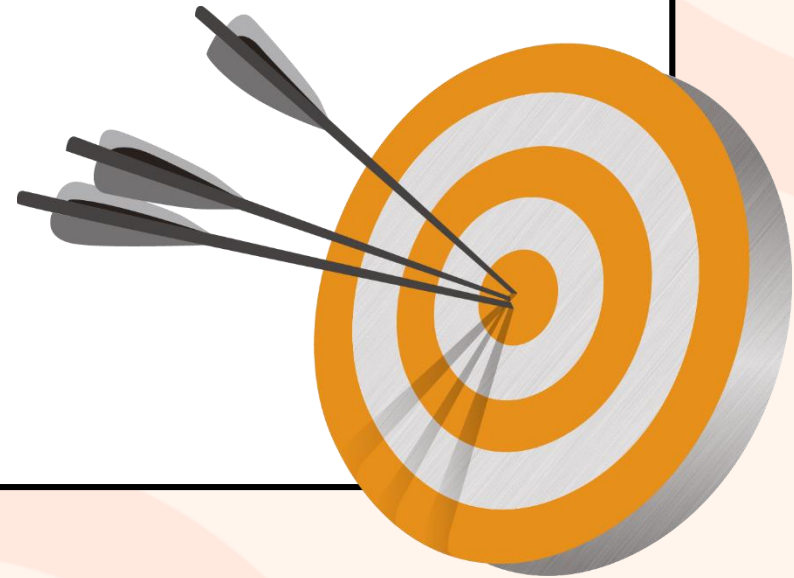

Crowd funding is the use of small amounts of capital from a large number of individuals to finance a new business venture. Crowd funding makes use of the easy accessibility of vast networks of people through social media and crowd funding websites to bring investors and entrepreneurs together, with the potential to increase entrepreneurship by expanding the pool of investors beyond the traditional circle of owners, relatives, and venture capitalists.
